DATE: July 23, 2020

FROM: Linda Granger, Superintendent  
SUBJECT: First Reading of the Governing Board Policy and Administrative Regulation 0470: COVID-19 Mitigation Plan

BACKGROUND

By law, districts are mandated to adopt policies and administrative regulations to help ensure that districts are legally compliant. New laws are passed by the legislature and congress every year and our policies can quickly become out-of-date. The last thorough review of all of the Eden Area ROP Governing Board policies and administrative regulations occurred in the 2019-2020 school year.

CURRENT SITUATION

In response to the unique issues resulting from the COVID-19 pandemic, there are many implications regarding governance provided via the implementation of our board policies. To address these issues, California School Boards Association (CSBA) developed a sample overarching policy to address educational issues related to COVID-19. Staff has reviewed the sample policy and edited it in accordance with the Eden Area ROP current policies.

What follows is the first reading of board policy and administrative regulation 0470: COVID-19 Mitigation Plan to reflect current law and regulations.

RECOMMENDATION

Information only
COVID-19 MITIGATION PLAN

The following policy establishes actions that will be taken by the Eden Area Regional Occupational Program (Eden Area ROP) to provide a safe learning and working environment during the coronavirus (COVID-19) pandemic, and shall supersede any conflicting language in existing Eden Area ROP policies or administrative regulations until the Governing Board determines that the need for this policy no longer exists. The Board acknowledges that, due to the evolving nature of the pandemic, federal, state, and local orders impacting Eden Area ROP operations are subject to change without notice. In the event that any federal, state, or local order may conflict with this policy, the order shall govern.

(cf. 2210 - Administrative Discretion Regarding Board Policy)
(cf. 5141.22 - Infectious Diseases)
(cf. 9310 - Board Policies)

The Board may also adopt resolutions or take other actions as needed to respond to such orders or provide further direction during the pandemic.

The Board recognizes that students and staff have the right to a safe campus that protects their physical and psychological health and well-being. School campuses shall only be open when deemed safe for in-person instruction. The Board's decision to reopen school campuses for classes, shall be made in consultation with state and local health officials, the county office of education, and partner school districts. The Eden Area ROP shall evaluate its capacity to implement safety precautions and to conduct full or partial school operations, and shall consider student, parent/guardian, and community input.

(cf. 0400 - Comprehensive Plans)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 3516 - Emergencies and Disaster Preparedness Plan)

The Superintendent or designee shall also provide information on the processes and protocols the district Eden Area ROP will follow to minimize the health risks associated with COVID-19, including, but not limited to, physically separating individuals (social distancing), limits on large gatherings, the provision of personal protective equipment (PPE) such as masks and gloves, and the sanitization of facilities.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)
(cf. 6020 - Parent Involvement)
COVID-19 MITIGATION PLAN  (continued)

Student Support

The Board recognizes that the consequences of the COVID-19 pandemic, including fear for one's safety, the economic crisis, the loss of school-based relationships, and disruptions in student learning, impact all students but may have a disproportionate effect on the youngest students, students with disabilities, those students most vulnerable to basic needs insecurity or child abuse and neglect, and other at-risk students.

(cf. 0415- Equity)

Staff shall pay careful attention to students' increased mental health concerns. Counseling, other support services, and/or referrals to other agencies shall be available to assist students in dealing with the social and emotional effects of COVID-19, such as stress, anxiety, depression, grief, social isolation, and post-traumatic stress disorder.

(cf. 5141.5 - Mental Health)
(cf. 5141.52 - Suicide Prevention)
(cf. 6164.2 - Guidance/Counseling Services)
(cf. 6164.5 - Student Success Teams)

As needed, the Eden Area ROP may provide referrals of students and families to basic needs assistance or social services.

(cf. 6173 - Education for Homeless Children)

The Superintendent or designee shall ensure that staff understand their obligations as mandated reporters to report suspected child abuse or neglect, regardless of whether the student is on campus or participating in distance learning.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Instruction/Schedules

The Eden Area ROP shall offer a combination of on-campus instruction and distance learning to meet the needs of all students.

(cf. 6157 - Distance Learning)
(cf. 6158 - Independent Study)

The Superintendent or designee shall work with partner districts to recommend to the Board a schedule of on-campus instruction. If all students cannot attend on-campus instruction due to space limitations as a result of social distancing requirements, the Superintendent or designee shall consider arrangements for rotating groups of students, such as on a daily or weekly basis.

(cf. 6111 - School Calendar)
(cf. 6112 - School Day)
COVID-19 MITIGATION PLAN (continued)

For distance learning, lessons may be delivered through live video sessions, pre-recorded lectures, or other technology-based distance learning platforms and/or the Eden Area ROP may supplement on-campus instruction with home assignments. As much as possible, distance learning shall be provided through small-group synchronous learning.

Training shall be provided to teachers and other instructional staff involved in distance learning, including training on how to use any technology or platform approved for distance learning by the school and opportunities for the sharing of best practices among instructional staff. Available training resources may also be provided to students and parents/guardians when necessary.

**Grading**

For each grading period, student progress shall be reported in accordance with BP/AR 5121 - Grades/Evaluation of Student Achievement. However, in the event that school campuses are closed for an extended period of time during any grading period, the Board may, upon recommendation by the Superintendent or designee, adopt one or more alternative grading policies which may vary by grade level or type of course. Options for such grading include, but are not limited to:

1. Assignment of final grades based on the student's grades when the campus shutdown occurred, with opportunities to increase the final grade based on progress through distance learning or other assignments and assessments

2. Assignment of pass/no pass grades for all courses

3. Grading based on students' understanding of applicable course content through assessments, projects, portfolios, or other appropriate means

(cf. 5121 - Grades/Evaluation of Student Achievement)

**Student Absence and Attendance**

The Board recognizes that COVID-19 will continue to impact the attendance of students following the reopening of school campuses. The Superintendent or designee shall notify students and parents/guardians of expectations regarding school attendance. Such notification shall direct any student who contracts the virus or lives with someone who has been diagnosed with COVID-19 to stay home in accordance with state and local health directives so as to curtail the spread of the disease.

Students who are infected with COVID-19 shall be excluded from on-campus instruction until a medical provider states in writing that the student is no longer contagious. (Education Code 49451; Health and Safety Code 120230; 5 CCR 202)
When a student is absent, the student's parent/guardian shall notify the school of the reason for the absence. A physician's verification of a student's illness or quarantine may be submitted, but is not required.

(cf. 5113 - Absences and Excuses)

If a student would otherwise be required to attend on-campus instruction but is kept home by the parents/guardians due to concerns for the welfare of their child, the Superintendent or designee shall work with the student and parent/guardian to find alternative means of instruction, which may include distance or blended learning, independent study, printed class assignments, or other reasonable means.

(cf. 6154 - Homework/Makeup Work)

The Superintendent or designee shall maintain enrollment and student attendance data, including the participation of students in distance learning, and shall report data in accordance with state requirements.

The Eden Area ROP employee designated as the attendance supervisor pursuant to Education Code 48240 shall track patterns of student absence throughout the Eden Area ROP and regularly report such information to the Superintendent. When a student who is participating in distance learning repeatedly fails to check in with the teacher when required, the teacher and/or attendance supervisor shall attempt to contact the student or parent/guardian to resolve the issues leading to the absence.

(cf. 5113.1 - Chronic Absence and Truancy)
(cf. 5113.11 - Attendance Supervision)

Social Distancing

In order to maintain a campus environment that allows for social distancing, the Eden Area ROP shall assess the capacity of school facilities, including classrooms, and outdoor areas, and determine the means by which the facilities can best be utilized considering space and time alternatives. To the extent reasonably possible, the Eden Area ROP may:

1. Within classrooms, space desks at least six feet apart and position them in a way that limits students facing each other

7. Assess the capacity of school buses and develop a plan for bus routes and bus seating consistent with social distancing objectives

(cf. 3540 - Transportation)
(cf. 3543 - Transportation Safety and Emergencies)
COVID-19 MITIGATION PLAN (continued)

8. Encourage students to walk, bicycle, or travel by private vehicle to reduce the number of students traveling on school buses. Schools may provide designated areas with proper distancing for bicycles to be stored during the school day, and may mark spaces for private vehicle drop-off and pick-up zones.

(cf. 5142.2 - Safe Routes to School Program)

Large gatherings, such as assemblies, rallies, field trips, extracurricular activities, and athletic events, shall be suspended until the Board determines, consistent with guidance from state and local health officials, that it is safe to resume such activities. The Superintendent or designee may grant an exception if an activity can be arranged to take place in phases or per class, or modified in a manner that would keep participants from violating social distancing recommendations. When deciding whether an activity may resume, the Superintendent or designee may consider the size of the group that participates, the extent to which the students and other attendees have physical contact, whether the activity can be modified to avoid physical contact, if shared equipment is required for the activity, and if social distancing can be maintained.

(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)
(cf. 6153 - School-Sponsored Trips)

Personal Protective Equipment and Hygiene Practices

The Board encourages students, staff, and visitors to wear PPE while on school campuses or school buses, especially in high-traffic areas and/or when social distancing is not possible. If the use of PPE in schools is required by state or local health officials, the Eden Area ROP shall provide PPE to students and staff who do not bring their own personal PPE. Students and staff shall be provided instruction in the proper use, removal, disposal, and cleaning of PPE.

Face coverings shall not be required for children younger than two years, or for anyone who has trouble breathing or is incapacitated or otherwise unable to remove the covering without assistance. Reasonable accommodations shall be made for anyone who is unable to wear a face covering for medical reasons.

The Board also encourages students and staff to practice good hygiene, such as appropriate covering of coughs and sneezes and regular hand washing of at least 20 seconds, including before eating and after blowing one's nose, coughing, or sneezing. The Eden Area ROP shall provide adequate time and opportunity for students to wash hands, and shall make hand sanitizer available in areas where handwashing is less accessible. Signage regarding healthy hygiene practices and how to stop the spread of COVID-19 may be posted in and around school facilities.
Sanitization of Facilities and Equipment

School facilities, school buses, and shared equipment such as desks, tables, sports/playground equipment, computers, door handles, light switches, and other frequently used equipment and supplies shall be cleaned and disinfected daily with appropriate cleaning agents. Disinfectants and cleaning agents shall be stored properly and in a manner not accessible to students.

(cf. 3510 - Green School Operations)
(cf. 3514.1 - Hazardous Substances)
(cf. 4157/4257/4357 - Employee Safety)

Staff

Any employee who contracts the virus, shows symptoms of possible infection, or is caring for someone who has been diagnosed with the virus shall self-quarantine for the period of time recommended by health authorities in order to prevent the spread of the disease to students or other staff.

An employee may use personal illness and injury leave and/or family care and medical leave, as applicable, if the employee is unable to work because the employee is ill or needs to take care of a spouse, parent/guardian, or child with COVID-19 or other serious health condition. (Education Code 44978, 45191; Government Code 12945.1-12945.2; Labor Code 245-249; 29 USC 2601-2654)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)
(cf. 4261.1 - Personal Illness/Injury Leave)

Follow-Up with Infected Persons/Contact Tracing

The Superintendent or designee shall work with county health officials to track confirmed cases of students and staff with COVID-19, including, but not limited to, following up with students, their parents/guardians, and staff who exhibit symptoms while at school and those who report an absence or miss work due to illness. The Superintendent or designee shall report confirmed cases to local health authorities.

Nondiscrimination

The Board prohibits discrimination based on actual or perceived medical condition or disability status. (Government Code 11135)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

education because of their COVID-19 status or medical condition. Staff shall not disclose confidential or privileged information, including the medical history or health information of students and staff. (Education Code 49450)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

The Superintendent or designee shall investigate any reports of harassment, intimidation, and bullying targeted at any student based on COVID status, exposure, or high-risk status.

(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 5131.2 - Bullying)
(cf. 5145.3 - Nondiscrimination/Harassment)

Community Relations

The Superintendent or designee shall use a variety of methods to regularly communicate with students, parents/guardians, and the community regarding Eden Area ROP operations, school schedules, and steps the Eden Area ROP is taking to promote the health and safety of students. In addition, the members of the Board have a responsibility as community leaders to communicate matters of public interest in a manner that is consistent with Board policies and bylaws regarding public statements.

(cf. 1100 - Communication with the Public)
(cf. 1112 - Media Relations)
(cf. 9010 - Public Statements)

The Eden Area ROP shall continue to collaborate with local health officials and agencies, community organizations, and other stakeholders to ensure that Eden Area ROP operations reflect current recommendations and best practices for keeping students, staff, and visitors safe during the COVID-19 state of emergency. The Superintendent or designee shall keep informed about resources and services available in the community to assist students and families in need.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)
(cf. 1700 - Relations Between Private Industry and the Schools)

While the Board recognizes the rights of parents/guardians to participate in the education of their children and the critical importance of parental involvement in the educational process, all visitors and volunteers are encouraged to respect guidelines regarding social distancing and large gatherings. School visitors and volunteers shall be limited in number and expected to observe all Eden Area ROP protocols for COVID-19. The Superintendent or designee may place signage around the school advising that visitors and volunteers may be required to use PPE while on school sites and interacting with school personnel, and may keep a supply of such equipment available for their use.

(cf. 1240 - Volunteer Assistance)
COVID-19 MITIGATION PLAN  (continued)

(cf. 1250 - Visitors/Outsiders)
(cf. 1330 - Use of School Facilities)

Potential Reclosure of Campus

The Eden Area ROP shall monitor student and staff absences and data provided by local health officials to determine if there is a risk of resurgence of COVID-19 and a need to reclose school campus for the protection of students, staff, and the community. The Superintendent or designee shall develop plans and procedures for alternative methods of operations to the extent possible in the event that reclosure becomes necessary.

If local health officials report that there has been no community transmission of COVID-19, or minimal to moderate transmission in the community, school campuses may not necessarily be closed, but the Eden Area ROP shall continue to take all preventative measures described in this policy.

If local health officials report substantial community transmission of COVID-19, campus closures of more than two weeks may be necessary, and the Superintendent or designee shall cancel group activities and events during that period. Campuses shall not reopen until recommended by local health officials.

Policy
adopted:
BACKGROUND

During the fourth quarter of the 2019-2020 school year, the Eden Area ROP engaged in distance learning in response to the COVID-19 pandemic and a Shelter in Place (SIP) order issued by the State of California. For the 2020-2021 school year, the California Department of Education (CDE) has directed school districts to develop a plan for opening the 2020-2021 school year. This plan includes measures to implement physical distancing and utilize distance learning, where appropriate. The plans developed by the Eden Area ROP staff offer distance learning and in-person instruction to the greatest extent possible while maintaining recommended physical distancing and cleaning practices.

CURRENT SITUATION

The reopening plan for the Eden Area ROP will be dictated by the plans adopted by our partner districts. As our partner districts finalize their plans for the start of the school year, the Eden Area ROP will finalize our reopening plans within the districts’ framework. To this end, we have been developing plans to support both a 100% distance learning model and a blended learning model for students.

The presentation tonight will provide the Governing Board with an update regarding the implementation of both models.

RECOMMENDATION

Information only
DATE: July 23, 2020
TO: ROP Governing Board
FROM: Linda Granger, Superintendent
SUBJECT: Request the Governing Board to approve the Adoption of Resolution 1-20/21: Recognizing the Fight Against Injustice and Proclaiming that Black Lives Matter

CURRENT SITUATION:

The senseless deaths of George Floyd, Breonna Taylor, Ahmaud Arbery, Rayshard Brooks and the many other black men, women, and children in the past are reminders of the urgent need to stand up against injustice and policies that have failed communities of color for hundreds of years. Calls for justice through peaceful protests demanding accountability are heard loud and clear around the country and globally. Addressing institutionalized racism requires critical examinations of policies, practices and programs. Throughout our nation’s history, institutional and structural racism and injustice have led to deepening racial disparities across all sectors of society, resulting in disparate lack of access to economic prosperity, health outcomes, educational opportunities, and social mobility of people of color.

As an organization responsible for educating the future generation, our goal is to ensure that we continue to remove every barrier to security and prosperity for all. At the Eden Area ROP, we believe that All Means All. This means that every student is deserving of the best opportunities to be happy, healthy and successful. We can only realize this vision by lifting up each student and affirming that Black Lives Matter at the Eden Area ROP. We are deeply invested in this work as an educational institution and understand that there is much more to be done. We will continue to hold ourselves accountable with a sharp eye on our policies and practices in and out of the classroom and continual examination of our curriculum materials to ensure that they accurately portray the contributions of African Americans and other historically marginalized groups.

The resolution on the agenda at this board meeting is in recognition of the fight against injustice and in support of the Black Lives Matter movement.

RECOMMENDATION

It is recommended that the Governing Board approve the adoption of Resolution 1-20/21: Recognizing the Fight Against Injustice and Proclaiming that Black Lives Matter.
Recognizing the Fight Against Injustice and Proclaiming that Black Lives Matter

A RESOLUTION of the Governing Board to declare that the lives of black students matter and that we encourage center-wide participation in the national Black Lives Matter at School Week from February 3-7, 2021; and

WHEREAS, in response to both currently and historically disparate treatment of African Americans, a nationwide movement has arisen to assert that Black Lives Matter; and

WHEREAS, the Governing Board is committed to maintaining a safe, positive school environment where all students, staff, parents/guardians, and community members are treated with respect and dignity;

WHEREAS, throughout our nation’s history, institutional and structural racism and injustice have led to deepening racial disparities across all sectors of society and have lasting negative consequences for our communities of color; and

WHEREAS, historically, when Black people have fought for a more democratic society, the lives of all people have improved and, conversely, each time barriers to Black people’s potential have been erected, our whole society has suffered; and

WHEREAS, the problems of society are mirrored in schools, and these problems can only be fully addressed with a united effort of community and school coming together for the betterment of our students’ future; and

WHEREAS, with protests around the nation erupting in the wake of the death of George Floyd, the Governing Board encourages peaceful protests against brutality and racism, the sharing of critical messages to change behaviors and our political system, and a showing of respect for every human being regardless of race, ethnicity, and economic status; and

WHEREAS, the Governing Board calls upon parents, educators, leaders, and all community members to help our children understand and react to racial differences, and to teach our youth how to peacefully speak up against injustice, racism and inequality; and
WHEREAS, it is time to take a big step forward, join together to actively combat racism, and commit to creating an unbiased and inclusive society free of discrimination, harassment and negative stereotyping toward any person or group:

NOW, THEREFORE, BE IT THEREFORE RESOLVED that the Governing Board stands strongly among our Black students, staff, families, and community and vows to reflect upon its policies, values, goals, and missions to endure its commitment to all.

CSBA provides policy resources and training to members, and represents the statewide interests of public education through legal, political legislative, community and media advocacy.

CURRENT SITUATION

CSBA last worked with the Eden Area ROP to update governing board policies during the 2019-2020 school year. In order to ensure we are compliant with current educational code, CSBA will provide GAMUT Policy and GAMUT Policy Plus services. These services will enable the Eden Area ROP to update and track changes to Governing Board policies as they occur throughout the year.

GAMUT Policy features include policy management, legal references, policy history and advanced search. GAMUT Policy Plus hosts and updates district/COE policies online. Policy Plus includes ongoing policy consulting and gives the option to edit and post adopted policies directly or submit drafts to CSBA for review and consultation.

Fiscal Impact
Annual cost of $3,795 plus a one time $250 set up fee.

RECOMMENDATION

It is recommended that the Governing Board approve the Agreement with the California School Boards Association (CSBA) for GAMUT services for the 2020-2021 school year.

IN NO EVENT SHALL CSBA BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES (INCLUDING DAMAGES FOR LOSS OF PROFITS AND/OR SAVINGS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION OR OTHER PECUNIARY LOSSES) ARISING FROM THE USE OR INABILITY TO USE GAMUT OR THE SERVICE. 10. **Termination.** This Agreement may be terminated by either party by giving the other party 60 days written notice. CSBA may also terminate this Agreement if Subscriber breaches any provision of this Agreement. If termination results from Subscriber’s breach the annual fee, or any portion thereof, will not be refunded by CSBA. If termination results from Subscriber’s written request, CSBA shall refund the prorata portion of the annual fee for the balance of the fiscal year (July 1 - June 30) outstanding at the date of such termination. It is also expressly understood and agreed that no personal liability whatsoever shall attach to any member of CSBA’s Board of Directors, or to any of the officers, employees, agents or representatives thereof, by virtue of this Agreement.

13. **Third Party Rights.** Nothing in this Agreement shall be construed to give any rights or benefits to anyone other than CSBA and Subscriber.

14. **Modification.** The scope of work and any other terms of this Agreement may be modified only by a written agreement signed by both parties.

15. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute but one and the same instrument.
