AGENDA

Welcome to the Eden Area Regional Occupational Program Governing Board Meeting. The purpose of the meeting is to consider matters of policy and business necessary for the operation of the Regional Occupational Program.

Any member of the audience may speak on any agenda item by following this process, or upon recognition by the President by identifying him/herself and his/her organization affiliation prior to any action taken by the Governing Board. Such presentations may be limited. If there is a desire to address the Governing Board on a matter relating to the Eden Area ROP that does not appear on the agenda, this may be done during the “Other Business” section.

State law prohibits the ROP Governing Board from taking any action on or discussing items that are not on the posted agenda except to A) briefly respond to statements made or questions posed by the public in attendance; B) ask questions for clarification; C) provide a reference to a staff member or other resource for factual information in response to the inquiry; or D) ask a staff member to report back on the matter at the next meeting and/or place it on a future agenda. (Government Code Section 54954.2 (a))

This meeting is being recorded. These recordings are maintained by the Eden Area ROP for 30 days and are available for review to the public upon request.

VII. Information Items

A. ROP Pathway Review-Education

Bernie Phelan, Director of Educational Services, reported that the Education pathway is under the Education, Child Development, and Family Services sector. The program taught under this pathway is Careers in Education I and II which are both UC a-g approved and articulated with Chabot College. Mr. Phelan introduced Dr. Erika Emery, Instructor, to report on the Careers in Education program.

Dr. Emery shared that students enrolled in this class qualify for a child development permit, meet the requirements for the UC g credit, earn community college credits through articulation agreements and job placement assistance.

In an in-person class setting students get the opportunity to participate in internships at school sites, take college campus tours at San Jose State and go on field trips to children’s museums. In a distance learning environment, students are working with a child in their family unit either from home if they are in the same household or via Zoom. Many participating sites hire Careers in Education students as full time employees after successfully completing the Careers in Education program. Dr. Emery shared photos of the students in action.

B. ROP Pathway Reviews- Information Support & Services and Networking

Bernie Phelan, Director of Educational Services, reported that under the Information and Communication Technologies sector we offer two pathways which are the Information
Support and Services pathway and the Networking pathway. Most of the classes offered in both pathways are UC a-g approved and articulated with a local community college. Bernie Phelan, Director of Educational Services, introduced Kent Doan, Instructor, to report on the Cybersecurity program which falls under the Information Support and Services pathway.

Cybersecurity covers essential job skills for people who want to work with computers such as support services from basic to advanced. The course curriculum starts with taking apart a computer and then rebuilding it. The course focuses on the CompTIA A+ certification. The Cybersecurity course also aligns with A+ certifications and Cisco’s Certified Network Associate (CCNA) exam which are both industry standards. He also covers making computers work together as a network which is how computers are used for businesses. Then students learn how to administer and secure networks. Students also get hands on experience in ethical hacking which teaches students how to secure a network by finding a weak point and how to secure against an attack. Mr. Doan highlighted that certifications are valid for 3 years, therefore, the course curriculum is ever-changing to meet industry standards. Students enrolled in the program and who complete it successfully are prepared with the skill set to obtain employment in the IT field.

C. Back to School Night

Mr. Bernie Phelan, Director of Educational Services, reported information about the Back to School Night. Back to School Night was held live via Zoom on September 22, 2020. Each teacher held their own Zoom meeting and they demonstrated to parents how students are learning virtually. The presentations were interactive and dynamic, and Mr. Phelan was really impressed with the staff.

D. Principals’ Breakfast

Bernie Phelan, Director of Educational Services, shared that the annual Principals’ Breakfast was held on September 24, 2020 via Zoom. Staff discussed the 50 year anniversary of the Eden Area ROP, success stories from each principal, work based learning, enrollment and the new student information system. Superintendent Granger added that the principals voiced wanting to do a monthly touch base meeting.

VIII. Action Items

A. Request the Governing Board to approve the Agreement with Omar Assim for IT Support Services for the 2020-2021 School Year

Upon review of and a motion by Trustee Juan Campos and a second by Trustee Peter Oshinski, the Governing Board approved the agreement with Omar Assim for IT Support Services for the 2020-2021 school year.

IX. Superintendent’s Report

Superintendent Granger discussed the state of the county in terms of the COVID-19 transmission. Of the four tiers that the State is using to monitor transmission, Alameda County has transitioned from the purple tier to the red tier. If the County stays in the red tier for 14 days, then schools will be eligible to re-open. She noted that the Alameda County Health Department has the option to have guidelines that are more restrictive than the State. Once the guidelines by the County are released then the Eden Area ROP staff will look at our re-opening plan and adjust accordingly.

Superintendent Granger highlighted an exciting opportunity that may be coming our way. Google is creating their own certification program. Currently, it is only for adults, but they are looking to expand the opportunity to high school students. Google reached out to the Eden Area ROP because they are looking for an established CTE program to partner with to discuss if there is a way to incorporate Google’s certification program into our high school programs. Superintendent Granger will be attending a meeting to see if we could participate. She noted that this shows that Google is taking the first steps in looking for a skill based workforce and not only using a college degree as a sorting factor in determining who qualifies for employment.

Superintendent Granger concluded her report by sharing that annually the Eden Area ROP in collaboration with local businesses and Chabot College hosts a manufacturing day. Due to the restrictions of in-person events the day will be extended to a week. Currently, staff and the partners of the event are planning the logistics of hosting the manufacturing week.
X. Other Business/Governing Board Reports

A. Governing Board Reports

Trustee Peter Oshinski, San Leandro USD representative, shared that he along with Superintendent Mike McLaughlin will be participating in a virtual townhall meeting with Assembly Member Rob Bonta to discuss schools re-opening.

Trustee Jo A.S. Loss, Castro Valley USD representative, commented that CVUSD has continued to tell the community that the timeline for their re-opening will be based on science and data.

Trustee Juan Campos, San Lorenzo USD representative, added that SLZUSD is discussing continuing distance learning for the remainder of the calendar year.

XI. Student of the Month Awards

The following students were honored by their teachers, ROP Staff and the Governing Board as students of the month for October 2020:

FROM: Linda Granger, Superintendent
PREPARED BY: Anthony Oum, Fiscal Services Administrator
SUBJECT: Request the Governing Board to approve the Agreement with AT&T for the AT&T Dedicated Internet Service from October 2020 through October 2022

BACKGROUND

On August 14, 2020, Governor Gavin Newsom signed Executive Order N-73-20, that states “over 2,000,000 Californians do not have access to high speed broadband service at benchmark speeds of 100 megabits per second …”, therefore, “California state agencies subject to my authority are directed to pursue a minimum broadband speed goal of 100 megabits per second download speed to guide infrastructure investments and program implementation to benefit all Californians.” Additionally, it further states that “The California Department of Education is requested to continue leading statewide efforts to ensure that the students have the computing devices and connectivity necessary for distance learning and online instruction.”

CURRENT SITUATION

The current router is outdated for its output is 10 megabits per second (mbps). As part of our current effort to upgrade technology campus wide, Eden Area ROP has renewed a contract with AT&T to provide internet services at 100 mbps to be compliant with Executive Order N-73-20, heeding to benchmark speeds.

DATE: November 5, 2020
TO: ROP Governing Board
FROM: Linda Granger, Superintendent
PREPARED BY: Lauren Kelly, Pathway Coordinator
SUBJECT: Request the Governing Board to approve the Contract with the Chabot-Las Positas Community College District to provide Support Services for the CATEMA Online Student System and Work-Based Learning for the 2020-2021 School Year

BACKGROUND
In 2016, the California Legislature approved the Strong Workforce Program. The goal of the program is to enhance career technical education and workforce training in order to meet the needs of the labor market. The Strong Workforce Program aims to align the community college and K-12 systems and to support collaborative work. Both Eden Area ROP and Chabot College receive Strong Workforce funds.

CURRENT SITUATION
The Chabot-Las Positas Community College District is contracting with the Eden Area ROP to provide support services for its Career and Technology Education Management Application (CATEMA) online student system. The work-based learning team will assist students, teachers, and administrators with enrollment in CATEMA, trouble-shooting, data analysis, and training for all groups as needed. They will also support work-based learning opportunities for Chabot pathways.

Fiscal Impact: The Eden Area ROP will receive $20,000.

CONSENT CALENDAR
This is a contract for professional services between the Chabot-Las Positas Community College District ("District") and Eden Area ROP, Independent Contractor ("Contractor"), entered this 9th day of October, 2020.

1. Contractor agrees to perform the following services in his/her capacity:
   Abraham Mendoza will support teachers, students, and Administrators with CATEMA enrollment, data, and training.
   He will support the organization of Advanced Manufacturing day and the recruitment of speakers for Chabot pathway courses.

2. Contractor hereby understands that no employment relationship is established by this contract for services.

3. The Contractor shall provide his/her own Workers’ Compensation Insurance and shall properly report all income in accordance with federal and state law (Labor Code § 3700).

5. Services shall begin on or about 9 / 1 / 2020, and terminate on or before 5 / 31 / 2021.
   Services shall not be assigned nor subcontracted to another party without written consent of the District.

6. District agrees to pay the Contractor the sum of $20,000.00, payable as follows, upon receipt of an invoice, if the services performed are satisfactory to the District.

   Date  
   30 days upon receipt of EAROP invoice.

   Payment

   ________________________________

7. District retains the right to cancel this contract in the event of funding shortage or for any other reason by written notice of not less than 30 calendar days. In such case, Contractor will be paid for services rendered through the date of cancellation only.

8. This contract is not valid until signed and accepted by the Vice Chancellor, Business Services, nor does the District assume any liability for work performed prior to acceptance by the Vice Chancellor, Business Services.

TO: ROP Governing Board
FROM: Linda Granger, Superintendent
PREPARED BY: Craig Lang, Director of Adult Programs
SUBJECT: Request the Governing Board to approve the Contract with School Webmasters for Website Hosting for Adult Programs for the 2021-2023 School Years

BACKGROUND

The Eden Area ROP Adult Programs maintains a dedicated website to support communication, enrollment and provide information regarding course costs and payments. The Adult Programs has been using School Webmasters to host their website since 2017.

CURRENT SITUATION

The Eden Area ROP will continue to use School Webmasters as an appropriate provider for our adult program web hosting needs for the 2021-2023 school years. Hosting the adult programs website through School Webmasters allows us to provide in-depth information about our course offerings to the public and will serve as a portal for current and prospective students to register and pay for classes. It also allows us to customize our branding and messaging for the adult programs. Contracting for additional services is a more cost-effective method of maintaining the adult programs’ webpage.

Get more than just software; put our staff to work for you!

PROPOSAL FOR:

Eden Area ROP Adult Education
October 13, 2020

Eden Area ROP
26316 Hesperian Blvd
Hayward, CA 94505

Dear Phyllis,

We are very happy you requested a proposal. Our service is unique, and it takes a little explanation to compare what we do to a simple content management software. We hope this will help you find the best solution for your school. This pricing expires on December 31st, 2020.

We want you to be able to show the best you have to offer, share your stories, and make meaningful connections with your community. We have provided you pricing that will help you do this. It includes everything you would expect in a state of the art content management system like responsive (mobile friendly) design, interactive calendars, slideshows, and more. But, the most important part of our services (NOT available through our competitors) is the ongoing website management we provide. We become your webmasters. Our staff is dedicated to making your school website an effective communication, public relations, and marketing tool. Our services include:

- Ongoing content updates to keep your sites current and informative
- Easy access to us by your authorized staff for content submission
- Monthly reminders to your authorized staff to get those latest updates
- Proofing and editing of all editable content
- Ongoing graphic updates for website appearance and optimization, including stock photos
- Monthly site reviews to make sure everything looks great and works perfectly
- Timely updates— almost always the same day, usually within hours
- ADA accessibility and 508 compliance to ensure that all visitors can enjoy the site
- Monthly tips to authorized staff to give them ideas for better content submission
- Secure and reliable virtual cloud hosting with 99.999% uptime and redundant backups

Please review the the following proposal / contract, and feel free to give us a call if you have any questions at 888.750.4556 Option 1.

Sincerely,

Jim Leedy

Custom Design & Development

We can build the website with as little information as the school's colors, mascot, and handbook. We would prefer a bit more input than that, but we really include it all. That includes writing the content, researching the types of information that would be most helpful to your community, staff, and parents. We'll make recommendations based upon our school website experience and what other schools have found to be most effective and helpful.

Unlike other website development companies, we don't just give you the space to work in. We'll provide your school with a balance of aesthetically pleasing layout and informational content. This includes custom graphics, professional copywriting, content recommendations, ADA compliance, and a whole list of best practices. We interview key administrators to determine their school's preferences, we'll design a prototype or customize the selected template, make the revisions they desire, and then begin populating the school's website with professionally written content. We can usually have the school's main site completed in six to eight weeks from the time we begin development.

Full-Service Website Management—Your Personal Webmasters

School Webmasters handles all updates, changes, additions, and improvements to your school's website. Many schools find it difficult to dedicate busy staff members (administrators, IT, etc.) to website development and upkeep. By outsourcing your website management to School Webmasters, whose experience and expertise is dedicated to this one aspect of good school communication, your school will be equipped with a superior website that is always current and informative (at a price that is far less than you would spend if you were to keep these tasks in-house).

In addition to ongoing site updates based on information we elicit from your staff, we also provide regular quality control reviews for continued improvements and maintenance of best practices. Regardless of your own staff turnover or current skill sets, School Webmasters can assure strong branding and improved public relations for your district.
Hosted Features and Services

Keeping it at five 9’s. 99.999% uptime is fulfilled by the latest in networking and hosting technology. Our sites are hosted on a fully redundant virtualized AWS EC2 Environment. We have multiple web servers that are connected to state of the art load balancers to ensure consistent up time. When periods of exceptional load occur, more servers will automatically come online to deal with the additional traffic. This allows us to be fully scalable, accommodating any amount of load that comes our way. Our server architecture has been designed by School Webmaster’s system engineers using best practice methods to suit your needs, and they are on call 24 hours a day to deal with any issues that may arise.

Our infrastructure is built on Amazon’s AWS services and hardware, the same service trusted by many top companies such as Netflix, Expedia, and Pinterest. Using state of the art hardware located in datacenters in Oregon and Virginia and crossing multiple availability zones, our system is designed for maximum uptime and stability. This means you can stop worrying about your school’s website and focus on where you’re needed most.
Website Development

We provide three levels of design to help meet the needs / budgets for all schools. Once sites are developed, we provide the same level of custom service for all of our clients, but initial designs can vary from a basic customized template to fully custom design. Many features are included at all levels, like unlimited bandwidth, video hosting, secure pages, etc.

Standard Design: Responsive Template Website:
  Included for $1,650 - 15 pages and $70 per page after the first 15

Client chooses design from the pre-designed template library.

- We add your logo, school name, and photos (yours or appropriate stock photos)
- Customize colors to whatever you select
- Fonts are part of the design and will stay the same
- Limit of one graphic or photo per page, and three slide shows per site.
- We provide all of the copy for the site by reorganizing and rewriting the content
- Best practices included

Three year contract cost for hosting / webmaster service $5,364.00

Website Hosting and Updates

Our full-service hosting includes improvements, updates, and other graphic and content revisions or additions that are necessary to keep your website fresh, informative, and accurate for the duration of the hosting agreement. This includes the design and development of up to 10 additional web pages per year/per site unless otherwise agreed upon by both parties, in writing. The amount of updates required can vary with each school. This pricing reflects our estimate of typical school’s update requirements for one year. In the event that a school needs more than the usual amount of our staff time, we will evaluate a three month average from time to time and make adjustments if necessary only to cover our costs. It is understood that there are more updates when a site first goes live, and at the beginning of the school year. We want you to do a great job and use our service, because every hour we work for you means several hours that your staff would otherwise be doing something they weren't hired to do.
Payment with a purchase order will be as follows:

½ development fee due upon site’s prototype approval
½ development fee due upon website completion - Completion of website is defined as School Webmasters completion of all design elements, layout, and copywriting. Because the process usually only takes 6 weeks, we may just wait until the site goes live to invoice for any of it.

Payment with check or credit card will be as follows:

½ development fee due to begin development
½ development fee due upon website completion - Completion of website is defined as School Webmasters completion of all design elements, layout, and copywriting.

Hosting Fees:

Hosting fees will begin on the 1st day of the month following School Webmasters submission of completed website to client. Site may be taken live at client’s discretion. Hosting fees will be invoiced to district or school monthly or semi-annually (January and July) for hosting and updates (client’s preference). Payments are due to School Webmasters within 30 days of invoice date. Invoices are e-mailed.

Late Fees:

Invoices that are 60 days past due will be assessed a late fee of 10% per month on all outstanding balances. Invoices 90 days past due may be submitted for collection and service suspended until all fees, including collection and/or legal expenses are paid in full. Client acknowledges that collection action may result in additional costs, including legal fees, and that any collection expenses will be the client’s responsibility. We are not liable for any collection actions resulting for failure to pay.

Renewal

This contract will continue on a month-to-month basis unless written cancellation is provided, and if a purchase order is required by the client, the client is responsible for providing this information to School Webmasters within 30 days of a new fiscal year.

Cancellation Policy

Cancellation policy: Request to terminate services must be made, in writing, at least 30 days prior to last day of service. While all graphics and content of the website(s) is the property of the client, if services are terminated, it is the responsibility of the client to move or retrieve the site. All content owned by the school is public facing and can be copied and archived by the school.
Warranties and Liability

School/District agrees that any material submitted for publication will not contain anything leading to an abusive or unethical use of the Web Hosting Service, the Host Server, or the Developer. Abusive and unethical materials and uses include, but are not limited to, pornography, obscenity, nudity, violations of privacy, computer viruses and malware, harassment, any illegal activity, spamming, advocacy of an illegal activity, and any infringement of privacy.

School/District hereby agrees to indemnify and hold harmless the Developer from any claim resulting from the School/District's publication of material or use of those materials. School Webmasters will make every effort to ensure that information/content posted is not any of the above mentioned items or in violation of copyright law; however School Webmasters will not be liable for the content provided by the school. Developer does not guarantee the functions of the site will meet the client’s expectations of site traffic or resulting business or that the operation of the web pages will be uninterrupted and/or error-free.

Disruption in Service

The Internet is a complex worldwide network. At times there will be planned and unplanned outages both in and beyond School Webmasters control. School Webmasters will diligently strive to notify our customers of any planned outages that may impact them. However, School Webmasters will not be liable for any damage or harm of any kind to the Client or any other person or entity who is or may be directly affiliated with the Client, occurring as a direct or indirect result of any network outage or service interruption, whether planned or unplanned, and whether or not the outage was caused by School Webmasters.

Indemnification

School/District agrees that it shall defend, indemnify, save, and hold the Developer harmless from any and all demands, liabilities, losses, costs and claims, including reasonable attorney's fees associated with the Developer's development of the School/District's website. This includes Liabilities asserted against the Developer, its heirs, assigns, subcontractors, agents, School Districts, servants, officers, and employees that may arise or result from any service provided or performed or agreed to be performed or any product sold by the School/District, its agents, employee or assigns.

School/District also agrees to defend, indemnify, and hold harmless the Developer against Liabilities arising out of any injury to person or property caused by any products or services sold or otherwise distributed over the client’s website. This includes infringing on the proprietary rights of a third party, copyright infringement, trademark infringement, and delivering any defective product or misinformation that is detrimental to another person, organization, or business.
Responsibilities of the District/School

*Identify and/or obtain, unless otherwise agreed, all elements to be included as content for this project on an “as needed” basis.*

- Provide any specific artwork, animations, images, data, or District/School-specific files (e.g., logos, mascots, employee photos, student artwork or photos, etc.) These will be assumed to be royalty free / non-rights managed. If you are unsure, please let us use our stock photos. The legal responsibility of the website falls on the owner, not the developer.
- PDFs and videos and other non-editable content will be posted as is, and may not be ADA / Section 508 compliant if it is not provided that way.
- Provide School Webmasters with all pertinent information and consultation in a timely manner. (Should the project become inactive or be delayed for reasons outside the control of School Webmasters, or if client becomes unresponsive or fails to provide timely feedback without providing any advance notice for a period not to exceed 10 calendar days, School Webmasters will immediately bill for all work it has performed to date on the project. School Webmasters will suspend any further work on the project from that point forward, pending communication from client. Client expressly agrees to pay for all billable work up to the date that School Webmasters receives written notice of client’s intent to inactivate or delay the project or after 10 calendar days of client being unresponsive to requests from School Webmasters.)

Responsibilities of School Webmasters

*Handle all aspects of development, production, and delivery throughout the project, including:*

- Build a component-based system that handles all aspects of the scoped project.
- Consult with the School District on content and any requested advanced system architecture.
- Work with the District to identify functionality for all navigation necessary for “ease of use.”
- Test Internet application and debug on the top three Internet browsers at current major revision.
- Provide accessibility for the visually impaired, and include provision for screen readers and other Section 508 compliance. This will include WCAG 2.0 Level AA compliance in areas like necessary Alt tags, skip navigation, color contrast, etc.
- Develop and oversee the implementation of the final product.

Assumptions
• Schools will make technical and graphic decisions within three (3) business days of submission of contract proposal.

• School Webmasters will complete all development off-site.

• All new informational content will be entered into the website by School Webmasters or its designated site managers, based upon direction from each school’s designated site contact. School Webmasters will send monthly reminders requesting changes or additions to those designated individuals.

**Deliverables**

• Final acceptance of the site will be performed when the website becomes live on the web server.

**Ongoing Updates**

Upon site completion and after a week or two of site revision with the development team, we will assign website administrators to the District/School. Your team of site administrators will manage all ongoing updates, page additions, calendar updates, minor graphic changes or additions, and other client needs. These individuals will also ensure that monthly reminders are sent to identified district personnel to keep your site current and accurate. The District is responsible for keeping School Webmasters informed about who those key personnel are who should receive our reminders. The more people at the school who have access to submit information as they get it, the more likely the information will end up on the website where it will actually be seen by your target audience. Because no one needs any training or special skills to get information onto the website, it doesn’t cost anything to get lots of people involved. All of the department heads, the secretaries, involved teachers, and of course principals, and administrators. Everyone who touches the information can easily get it to us so that we can turn it into a story that will help engage parents, students, and the community to make your job easier.

TO: ROP Governing Board
FROM: Linda Granger, Superintendent
SUBJECT: Request the Governing Board approve the MOU with the Hayward Unified School District for the Independent Study Teacher to Support the Hayward Promise Neighborhoods Program for the 2020-2021 School Year

BACKGROUND

The Hayward Promise Neighborhoods is in its second round of federal funding. Promise Neighborhood grants are 5 years in duration and are cradle to career initiatives focused on transforming a neighborhood within the city. The first Promise Neighborhood grant focused on the Jackson Triangle neighborhood and the new Promise Neighborhood grant focuses on South Hayward.

CURRENT SITUATION

The Eden Area ROP as a partner in this project will provide career technical programs and assist in dropout prevention for identified students. To this end, HUSD assigns a teacher to the Eden Area ROP that provides credit recovery to students attending ROP who live in the South Hayward Promise Neighborhood or attend the target high school. This MOU outlines our agreement with Hayward Unified School District to reimburse the district for the cost of this employee.

CONSENT CALENDAR
MEMORANDUM OF UNDERSTANDING
BETWEEN
EDEN AREA REGIONAL OCCUPATIONAL PROGRAM AND HAYWARD UNIFIED
SCHOOL DISTRICT THROUGH
THE HAYWARD PROMISE NEIGHBORHOOD PARTNERSHIP

I. TERMS OF MOU:
This agreement shall commence on July 1, 2020 and shall extend through June 30, 2021.

II. CONTRACT AMOUNT:
The teacher contract amount for $141,366.90 for salary and benefits.

III. PURPOSE:
Through The Hayward Promise Neighborhood Grant, Hayward Unified School District and Eden Area Regional Occupational Program will collaborate to implement an independent study program to cover academic support for Career/Occupational training programs prepared and offered by ROP.

IV. ROLE AND RESPONSIBILITIES OF EDEN AREA ROP:
● The ROP shall provide leadership and coordination services to ensure quality academic and career technical standards are met.
● The ROP will provide data control services for registration, attendance, grades, transcripts, and other student records.
● Attendance reporting will be reflected by both the ROP and HUSD.
● Reimbursement back to the district for the independent study teacher at a total of $141,366.90 (includes benefits). Payments will be made in 12 monthly installments of $11,780.58.

V. ROLE AND RESPONSIBILITIES OF HUSD:
● HUSD shall designate instructors from its staffing assignment prior to the beginning of the school year.
● HUSD shall designate administrative supervision of selected staff through the HUSD Independent Study Program.
● HSUD will be responsible for instructor compensation.
● HUSD will insure that the instructor possesses an approved Credential.
● HUSD will insure that the instructor assists HUSD students (especially those in the Promise Neighborhood grant) with intense intervention and credit recovery as needed. Assistance can include:
  ● Pre/Post Assessment
  ● Individualized direct instruction
  ● Teacher assigned prescriptive lessons
  ● Push in or pull out instruction
  ● Intensive intervention
  ● Differentiated content
VI. **TERMS OF AGREEMENT:**
An effort will be directed by both parties to maintain the terms of the agreement as defined. However, if urgent circumstances beyond either party's control occur, making one party unable to fulfill its agreement, this agreement can be renegotiated or terminated with 30 days' notice.

Eden Area ROP shall indemnify, defend and hold harmless HUSD and its employees from and against any and all loss, liability, expenses, claims, costs, suites and damages of every kind, nature and description directly or indirectly arising from the performance of the work. This paragraph shall not be construed to exempt HUSD and its employees from its own fraud, willful injury or violation of law whether willful or negligent.

HUSD shall indemnify, defend and hold harmless Eden Area ROP and its employees from and against any and all loss, liability, expense, claims, costs, suites and damages of every kind, nature and description directly or indirectly arising from the performance of the work. This paragraph shall not be construed to exempt Eden Area ROP and its employees from its own fraud, willful injury or violation of law whether willful or negligent.

Under penalty of perjury I agree to the statements above and am designated to sign this agreement on behalf of my agency,

PREPARED BY: Craig Lang, Director of Adult Programs  
SUBJECT: Request the Governing Board to approve the MOU with the Jewish Vocational and Career Counseling Service (JVS) to Provide a Dental Assistant Regional Hybrid Program for the 2020-2021 School Year  

BACKGROUND  

The Dental Assisting (DA) and Registered Dental Assisting program (RDA) at Eden Area ROP has been approved by the Dental Board of California. The approval allows students to earn many certifications from this course: Infection Control, Radiography, Coronal Polish, Pit and Fissure, and Dental Assisting. With Eden Area ROP Board’s approval, separate dental courses are offered for Infection Control and Radiography certifications.

CURRENT SITUATION  

The Jewish Vocational and Career Counseling Service (JVS) partnered with the Eden Area ROP to help their clients become employable in the dental field. The curriculum assembled for JVS is a 30-hour on-line didactic Foundations in Dental Assisting course. This course is a portion of JVS’ program that involve dental business partners for the hands-on training of potential dental assistants during COVID-19 teaching restrictions. The didactic course was designed to give students a basic introduction to the content and literature-based material to help support the hands-on training for dental assistants.

Students enrolled in the course will cover topics, such as, dental anatomy, instruments, dental law and ethics, dental materials, and various dental procedures.

The MOU before you tonight is with the JVS organization and their staff. JVS agrees to recruit, finance, and counsel up to 12 students, per 30-hour cohort, in the 30-hour on-line didactic Foundations in Dental Assisting course. The Eden Area ROP will instruct and provide the curricular material for the class.

CONSENT CALENDAR
Memorandum of Understanding

Between
Jewish Vocational and Career Counseling Service ("JVS")
and
Eden Area ROP ("EAROP")

1) Purpose.
The purpose of this Memorandum of Understanding ("MOU") is to describe the responsibilities of JVS and Eden Area ROP ("EAROP") with respect to the Dental Assistant Regional Hybrid Program ("Program").

2) Program Description

The Dental Assistant Certificate program recruits and trains low income, unemployed, or underemployed Bay Area residents who are interested in entering the Healthcare field through dentistry. JVS’ DA training program increases the skills and employability of participants by providing technical and non-technical skills necessary to succeed in the role. Eden Area ROP will provide students online didactic training that compliments the technical training they will receive in-person. JVS will provide supplemental job readiness (soft) skills training to further prepare participants for work as Dental Assistants.

3) Roles and Responsibilities

a) JVS agrees to:
   i) Assign a primary person of contact for oversight of this agreement;
   ii) Assign a staff person to coordinate with EAROP the activities included in this MOU;
   iii) Provide a staff person to oversee coordination of the program and instruction of JVS-led curriculum;
   iv) Coordinate with EAROP for purposes of planning and troubleshooting in order to successfully attain goals of the program;
   v) Lead coordination of program training from Oct 26 – November 25 2020;
   vi) Assess, recruit, and enroll up to 12 participants for the training;
   vii) Collect contact information data on participants and share with EAROP;
   viii) Provide participants up to 10 job readiness training sessions;
   ix) Co-create with EAROP progress reports and performance reviews for each student;
   x) Arrange a supervised clinical experience for students who successfully complete course requirements;
   xi) Notify EAROP in a timely manner of any concerns, issues, and/or incidents related to any component of the Program;
   xii) Debrief with EAROP and discuss outcomes after the completion of the program in January 2021;
   xiii) Process invoices and issue payment to EAROP within thirty business days of receipt of invoices.
b) EAROP responsibilities:

i) Assign a primary person of contact for oversight of this agreement;
ii) Assign a staff person to coordinate with JVS the activities included in this MOU;
iii) Provide a staff person(s) to oversee coordination of the training and instruction of EAROP curriculum;
iv) Coordinate with JVS for purposes of planning and troubleshooting in order to successfully attain goals of the Program;
v) Lead occupation-specific on-line training from November 3 – 19, 2020;
vi) Ensure all 12 students of the Program have all of the necessary materials associated with the training curriculum;
vii) Collect attendance and performance data on participants and share with JVS;
viii) Co-create with JVS progress reports and performance reviews for each student;
ix) Notify JVS in a timely manner of any concerns, issues, and/or incidents related to any student or component of the Program;
x) Adhere to EAROP standard policies for responding to student accidents and/or urgent care needs;
xii) Debrief with JVS and discuss outcomes after the completion of the training in January 2021;

Both parties agree to:

i) Defend, indemnify and hold the other party, its directors, officers, employees, volunteers and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees), or claims for injury or damages arising out of its performance of this MOU but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the other party its directors, officers, employees, volunteers and agents.

4) Other Terms and termination

a) This MOU may be terminated at any time upon mutual agreement of EAROP and JVS.
b) This MOU may be terminated for cause if a party has materially breached the MOU where the defaulting party has been given written notice of its deficiencies and has failed to correct such deficiencies within thirty (30) days after receipt of such notice or such longer time as agreed upon by the parties. Termination pursuant to this section shall be effective at the expiration of the cure period. This provision shall not constitute an election of remedies by or liquidated damages to the terminating party. The terminating party shall have and retain all rights to damages at law and rights to equitable relief in the event of breach by the defaulting party.
c) This Agreement may be terminated without cause by any party upon thirty (30) days’ advance written notice.

INFORMATION ITEMS
BACKGROUND

The Eden Area ROP and school district programs are supported by our local business community in many ways. To honor those business members who have supported our programs, we hold an annual Business Partners Breakfast. As part of the Business Partners Breakfast, we honor our Business Partners of the Year. Due to the restriction of COVID-19, the Business Partner of the Year breakfast will not occur this year. Business Partners of the Year will be honored during our November Governing Board meeting.

CURRENT SITUATION

This year, the Eden Area ROP and the four school districts selected a total of thirteen Business Partners of the Year. These nominees have a passion and appreciation of school district and ROP career pathways and are dedicated to our students.

RECOMMENDATION

Information only
BACKGROUND

The state of California has identified 15 industry sectors. Each sector contains multiple career pathways in which to develop programs of study. It is up to individual school districts and the region’s corresponding colleges and businesses to conduct research into the needs of the industry and determine which sectors and careers can best serve the students, industry and community. Pathways available vary by each district.

Formerly, the pathway reviews were presented to the Governing Board under the title “CDE Course Review.” The Eden Area ROP has renamed the CDE Course Reviews to Pathway Reviews to more accurately reflect the information being shared with the Board and to align with the current terminology used by the state. Pathways reviews are presented to the Governing Board biennially.

CURRENT SITUATION

The Emergency Response pathway is under the Public Services sector. The Emergency Response pathway encompasses standards for designing student coursework in preparation for a number of careers in this field. The standards provide the foundation for further professional education and training at a postsecondary level, leading to certification and employment. By mastering these standards, students gain critical knowledge and skills through classroom and job-site experiences, simulations, and other learning modalities. Careers in this pathway include those in fire services, emergency medical services, wildland services, and emergency management. The attached pathway review is for the following program: First Responder (Fire Science/EMT) (ROP Center). The statistics provided are derived from the 2019-2020 C101 follow-up study completed June 2020.

ACTION ITEMS
DATE: November 5, 2020
TO: ROP Governing Board
FROM: Linda Granger, Superintendent
SUBJECT: Request the Governing Board to approve the Ongoing Agreement for Master Data Sharing for the Hayward Promise Neighborhoods

BACKGROUND

The Eden Area ROP is a partner in the Federal Promise Neighborhood Grant program. This is a $30 million grant for 5 years. This is a cradle to career placed-based collective impact grant in which the partners work together to meet the needs of the people in a targeted neighborhood. The Hayward Promise Neighborhoods (HPNs) have successfully applied for this grant two times, first targeting the Jackson Triangle neighborhood, and round two focusing on South Hayward. California State University East Bay is the fiscal lead for this grant.

CURRENT SITUATION

One of the expectations of the Promise Neighborhoods is that all the partners in the grant program, work collaboratively within one data system so that the collective impact of our efforts can be tracked. The Master Data Sharing Agreement codifies these efforts.

RECOMMENDATION

It is recommended that the Governing Board approve the ongoing Agreement for Master Data Sharing for the Hayward Promise Neighborhoods.
MASTER DATA SHARING AGREEMENT

The following is a Master Data Sharing Agreement (Agreement) among Hayward Promise Neighborhoods, California State University East Bay and Hayward Promise Neighborhoods Partners (collectively referred to as Partners).

Hayward Promise Neighborhoods Partners include:

- Hayward Unified School District
- Chabot College
- Eden Area Regional Occupation Program
- City of Hayward
- La Familia Counseling Service
- 4Cs of Alameda County
- Tiburcio Vasquez Health Center
- Alameda County Public Health Department
- Hatchuel Tabernik and Associates
- Eden Youth and Family Center

1. PURPOSE AND INTENDED USE OF DATA SHARING. The purpose of this Agreement is to facilitate the creation and maintenance of individual-level data sets and a linked Master Data Set by Hayward Promise Neighborhoods and the sharing of subsidiary identifiable, de-identified, or restricted-use data sets for the use of approved Hayward Promise Neighborhoods staff, Partners, and the U.S. Department of Education for tracking individual and family participant characteristics, program participation, and outcomes. Participation in this Agreement on the part of Partners entails providing individual-level and individually identifiable data to the Hayward Promise Neighborhoods for linkage with similar data from other Partners as specified in Attachment B. These data will be used for the following purposes:

a. For inclusion in the Hayward Promise Neighborhoods case management system (Salesforce), which is used by the Hayward Promise Neighborhoods and its Partners to coordinate, manage, track, and report on the services provided by Hayward Promise Neighborhoods to individuals and families. The District agrees to allow Hayward Promise Neighborhoods to disclose personally identifiable information received from the District to the entities listed in Attachment A to this Agreement provided that (i) appropriate consent or authorization has been obtained from the individual or the individual’s parent or guardian (see Attachment D); and (ii) permissions for each partner follows the access level in Attachment E.

b. For research and evaluation purposes to study and report on the impact of the Hayward Promise Neighborhoods on individuals and families.
For reporting measures of participant characteristics, program participation, and outcomes to the U.S. Department of Education and its authorized contractors (hereinafter, “the Department”). Data reported to the Department will include (i) aggregated summary indicators of participant characteristics, program participation, and outcomes and (ii) de-identified, individual-level data and information on participant characteristics, program participation, and outcomes that will be used by the Department to create a restricted-use data file for use by authorized researchers to conduct studies on the federal Hayward Promise Neighborhoods program.

d. **PERIOD OF AGREEMENT.** This Agreement shall be in effect beginning June 1, 2020 and will expire on December 31, 2023. This Agreement may be extended by mutual written agreement by authorized representatives of all Partners. If the federal Hayward Promise Neighborhoods initiative expires or is otherwise terminated before the specified expiration date of the Agreement, this Agreement shall automatically expire as of the date that the federal Hayward Promise Neighborhoods initiative expired or was terminated.

2. **DESCRIPTION OF DATA.**

a. **Primary Data Set.** Data shared by the Partners under this Agreement shall be limited to the data elements as listed in Attachment B to this Agreement. The specific record and file formats of the Primary Data Set will be as negotiated between designated representatives of the Partners and the Hayward Promise Neighborhoods. The Partners agrees to make its best efforts to provide any updates to the Primary Data Set in a consistent, agreed-upon record and file format.

b. **Protocols and Procedures Eligible for Linkage.** Protocols and procedures for the use management, and custodial responsibilities for Hayward Promise Neighborhoods and Partners when access data are detailed in Attachment C.

c. **Adding to the Primary Data Set.** Subject to applicable law and regulation, and provided there is mutual agreement of the Partners, content of the Primary Data Set(s) may also include other records mutually agreed upon by the Partners to be necessary and appropriate for the proper execution of this Master Data-Sharing Agreement or any approved Data Use Agreement executed under this Master Data-Sharing Agreement.

3. **TIMING AND FREQUENCY OF UPDATES.** The Partners agree to provide the data as specified in Attachment B to this Agreement, with specific timing of updates to be negotiated between designated representatives of the Partners and the Hayward Promise Neighborhoods.
4. CUSTODIAL RESPONSIBILITY AND DATA STEWARDSHIP.

a. The parties mutually agree that Hayward Promise Neighborhoods will be designated as Custodian of the raw and linked data sets, as listed in Attachment B and Attachment C, and will be responsible for the observance of all conditions for use and for establishment and maintenance of security arrangements as specified in this Agreement to prevent unauthorized use.

b. Unless otherwise stated or modified in this Agreement, data will be managed, linked, and stored as specified in Attachment C to this Agreement. While Hayward Promise Neighborhoods will make its best efforts to facilitate the secure transmission of data from the District to the Partners, Hayward Promise Neighborhoods is not responsible for ensuring the internal or network security of the Partners or for any breaches of security occurring prior to the confirmed receipt of data by Hayward Promise Neighborhoods.

c. Hayward Promise Neighborhoods is hereby informed and agrees that the Partners will release data under this Agreement only upon the condition that the Hayward Promise Neighborhoods will not disclose the information to any entity not listed in Attachment A, will not disclose the information in contradiction to any term or provision under this Agreement, and will not use the data for any purpose other than the purposes specified in this Agreement. Further, Hayward Promise Neighborhoods agrees to fully cooperate with the Partner(s) in the event that an adult individual or the parent or guardian of a child under 18 years old (i) requests the opportunity to review his/her personally identifiable information disclosed to Hayward Promise Neighborhoods by the District or (ii) wishes to revoke their consent to data sharing with the Hayward Promise Neighborhoods. Hayward Promise Neighborhoods also agrees to notify the District in the event it obtains from an adult or parent/guardian of a child under 18 years old (i) written consent for data sharing with Hayward Promise Neighborhoods (See Attachment D), (ii) a revocation of consent to share data with the Hayward Promise Neighborhoods, or (iii) a request to review personally identifiable information stored by Hayward Promise Neighborhoods.

d. Partners agree not to release any data it receives from Hayward Promise Neighborhoods as a result of its participation in this Agreement to any third parties not specifically authorized to have access to such data under this Agreement.

5. ROLES AND RESPONSIBILITIES. Hayward Promise Neighborhoods agrees to provide appropriate staff support to execute its data stewardship, data management, custodial responsibilities, and analysis under this Agreement. In addition, all partners agree to provide appropriate staff support to create and transmit Primary Data Sets as specified in Attachment C to this Agreement to Hayward Promise Neighborhoods.

a. The following Hayward Promise Neighborhoods staff member(s) are assigned to roles
related to the proper management, processing, and distribution of the data, as described in Attachment A to this Agreement, under this Agreement.

6. PERMISSIBLE DATA USE, LINKING AND SHARING UNDER THIS AGREEMENT. All data shared as part of this Agreement remain the property of the supplying Partner. Each of the parties to
this Agreement represents and warrants further that data covered under this Agreement shall not be disclosed, released, revealed, showed, sold, rented, leased, or loaned to any person or organization except as specified herein, or as required by applicable law or regulation. Access to the data covered by this Agreement shall be limited to the minimum number of individuals necessary to achieve the purposes stated in this Agreement and to those individuals on a need-to-know basis only. Notwithstanding these exceptions, Hayward Promise Neighborhoods understands and agrees that it will not, under any circumstances, disclose personally identifiable information from the records it receives from Partners to any other party not subject to this Agreement without the prior written consent from the supplying Partner, and Hayward Promise Neighborhoods understands and agrees that it will not use the information for any purpose other than the purposes for which the disclosure was made. Hayward Promise Neighborhoods also agrees and understands that Partners shall receive written notice of any use or disclosure made with such consent from the supplying Partners.

a. **Authorized Linkage and Data Transfers of Data-Contributing Organizations for Program and Site Management.** Access to limited identifiable individual-level data will be restricted to a tightly controlled data stream of “need to know” users at end service points and carefully selected organizational administrators, as specified in Attachment A2 to this Agreement. Only records with a signed consent or authorization agreement will be transmitted for this purpose.

b. **Authorized Linkage and Data Transfers of Data-Contributing Organizations for Research and Evaluation.** Uses of this data to the Hayward Promise Neighborhoods Principal Investigator(s)/Lead Data Analyst(s) for use in evaluating the overall and community impact of Hayward Promise Neighborhoods program components over time.

c. **Additional Requirements in the Event of Termination.** In the event of the termination of the Master Data Sharing Agreement between the Hayward Promise Neighborhoods and the Partner(s), Hayward Promise Neighborhoods and Partner(s) shall (1) delete all Primary Data Sets containing individually identifying information obtained under this Agreement; and (2) certify in writing within five (5) business days that all copies of the data stored on local servers, backup servers, backup media, or other media have been permanently erased or destroyed.

7. **RESOURCES AND COSTS OF DATA SHARING AND DATA MANAGEMENT.** Costs for staff time and technology maintenance to execute this Agreement will be provided for in separate contracting agreements.

8. **NO WARRANTY FOR DATA OR LINKAGE QUALITY.** Both the accuracy of record linkage and the utility of administrative data for research and analytical purposes are dependent on the quality and consistency of the source data. Although Hayward Promise Neighborhoods will use reasonable efforts to promote accurate record linkage and the creation of appropriate data sets for analysis, no warranty is made as to the achievement of any particular match rate nor as to...
the ultimate accuracy or utility of any data contributed under this Agreement.

9. **INDEMNIFICATION.** The parties agree that statutory and common law theories and principles of liability, indemnification, contribution, and equitable restitution shall govern all claims, costs, actions, causes of action, losses, or expenses (including attorney fees) resulting from or caused by the actions or omission of the parties hereto. Furthermore, if any party becomes aware of a claim involving the other within the relationship, the party with knowledge of the claim shall inform the other party in writing within ten (10) days of receiving knowledge of the claim, demand, or other loss.

10. **PUBLICATION AND DISSEMINATION OF RESULTS.** Prior to public dissemination, Hayward Promise Neighborhoods shall provide Partners copies of written reports, analysis, or visuals produced or derived in whole or in part from Partners data. Copies shall be submitted to the Partner’s primary contact for the administration of this Agreement as specified in Section 6 to this Agreement.

11. **TERMINATION AND MODIFICATION OF THIS AGREEMENT.** The Hayward Promise Neighborhoods and the Partners may amend this Agreement by mutual consent, in writing, at any time. This Agreement may be terminated by any individual partner with thirty (30) days by written notice. Upon termination of this Agreement, the Hayward Promise Neighborhoods lead agency will dispose of the Hayward Promise Neighborhoods Partner’s data as specified in Attachment C to this Agreement unless otherwise specified in an attachment to this Agreement.

12. **SIGNATURES.** By the signatures of their duly authorized representatives below, the Hayward Promise Neighborhoods and the Partner(s) agree to all of the provisions of this Master Data-Sharing Agreement and execute this Agreement effective with this signing. By signing above, signatory warrants and represents that he/she executed this Agreement in his/her authorized capacity and that by his/her signature on this Agreement, he/she or the entity upon behalf of which he/she acted, executed this Agreement.

Attachment C: Standard Protocols and Procedures for the Use, Management, and Custodial Responsibilities for Identifiable and Linked Primary Data Sets and Other Data Sources Eligible for Linkage

This document describes the protocols and procedures for the use, management, and custodial responsibilities for Hayward Promise Neighborhoods and Partners when accessing data meeting one or more of the following criteria:

- Data are in the form of individual records containing personally identifying information;
- Data are HIPAA or FERPA protected;
- Data are shared by one or more Partner with the understanding and intent that records from the contributed data sets will be linked with records from other Partners; or
- Data were provided under the terms of a Master Data-Sharing Agreement between Hayward Promise Neighborhoods and Partner and/or through obtaining consent or authorization from individuals to disclose their data.

This document will act as a core component to all agreements entered into between Hayward Promise Neighborhoods and any Partner, in which data meeting any of the above criteria are shared and will define how individual-level data will be secured and managed.

POLICY AND PROCEDURES FOR DATA SHARING

1. Terms and Definitions.

1.1. User. Includes any person with access to covered data. Teachers and site coordinators are considered users.

1.2. Public Information is information that can be freely given to anyone.

1.3. Sensitive Information is all other information that is confidential, private, personal, or otherwise sensitive in nature. Sensitive Information includes the following:

1.3.1. Personally Identifiable Information includes an individual’s name; address; date of birth; student ID number assigned by a school district, local education agency, or state education agency or partner organization.

1.3.2. Legislatively Protected Data are data subject to some government law, regulation, or oversight. This includes, but not limited to, data as defined under

- The Family Educational Rights and Privacy Act (FERPA)—student education records
- The Health Insurance Portability and Accountability Act (HIPAA)—individually identifiable health information
1.4. **Other Sensitive Data** are data where unauthorized disclosure could lead to a business, financial, or reputational loss. Examples include all intellectual property, research results, or information protected by a confidentiality agreement.

2. **User Roles and Functions in Relation to Covered Data.** For any Master Data-Sharing Agreement subject to the provisions of this Attachment, each party of such Agreement will assign (where applicable) an appropriate and qualified staff member for any of the following roles. Each party shall inform each other in writing of the staff member(s) assigned to each role as well as to any changes in staffing for these roles. Parties agree that roles specified below may be performed by one or more staff.

2.1. **Data Steward.** The Data Steward has supervisory authority across and is ultimately responsible for all tasks related to the management of data under this Agreement and ensures compliance with all applicable agreements and regulatory requirements. The Data Steward reports any compliance issue or breach to the Hayward Promise Neighborhoods Executive Director and Principle Investigator.

2.2. **Database Administrator/Data Evaluation and Alignment Lead.** The Database Administrator/Data Evaluation and Alignment Lead will be primarily responsible for (1) creating and maintaining appropriate data structures for secure warehousing of Primary Data Sets; (2) facilitating secure transmission of Primary Data Sets between Hayward Promise Neighborhoods and Partners; (3) executing appropriate algorithms to standardize identifying data fields, de-identify Primary Data Sets, and create unique linking IDs; (4) developing and executing appropriate data queries from Primary Data Sets to create linked, de-identified, and/or limited data sets; (5) monitoring and maintaining the server equipment and its security and overseeing regular data backups; (6) performing deletion or destruction of covered Primary Data Sets upon termination of the Agreement; and (7) deleting or permanently encrypting and archiving individually identifying data elements within an active Primary Data Set once it is determined that these elements are no longer needed in “clear text” (unencrypted) format to facilitate accurate record linkage. The Database Administrator/Data Evaluation and Alignment Lead reports any compliance issue or breach to the Data Steward.

2.3. **Software Provider and Vendors.**
California State University East Bay will be the owner of the Hayward Promise Neighborhoods Salesforce instance and therefore will work with both internal staff (e.g., CSU East Bay ITS Department) and external staff (e.g., Eigen X, Salesforce Technical Support) in the operation of the instance, including facilitating data integrations and/or coordinating data access privileges with the aforementioned data stewards: this includes scenarios such as first tier support for accessing Salesforce, technical issues with the interface, facilitation of enhancements, and general security configurations for the platform.

3. **Data Set Creation and Delivery**
3.1. All creation, use, and/or transmittal of linked, de-identified, and/or limited data sets created is subject to the specific terms of this Agreement. Under no circumstances will any data sets subject to the terms of this document be released to any entity (including use by Partners) unless (a) the proposed use of the data set is explicitly authorized, either as part of the Master Data-Sharing Agreements executed by Hayward Promise Neighborhoods and the Partner or by the execution of an approved Data Use Agreement covering the proposed Program and Site Management uses of the limited data set by all Hayward Promise Neighborhoods Partners whose data are included in the data set requested; and (b) Hayward Promise Neighborhoods Implementation Team approval is obtained for the proposed Program and Site Management uses of the limited data set.

3.2. The Hayward Promise Neighborhoods has chosen Salesforce as our database software provider. All data stored in Salesforce is uploaded using Salesforce’s web-enabled password-protected site. Partners will transmit raw and linked data and individual level data elements (described in Attachment B) in electronic form via secure file transfer protocol procedure through Salesforce platform.

3.3. The Hayward Promise Neighborhoods has chosen EigenX as our Salesforce technical assistance provider. EigenX is a third-party service provider and is not considered a Partner under this agreement. EigenX will help develop and maintain Salesforce architecture but will not be the owner and is not authorize to share, store, or analyze data stored in Salesforce.

4. Confidentiality and Data Security Safeguards

4.1. The Hayward Promise Neighborhoods and the Hayward Promise Neighborhoods Partners agree to establish appropriate administrative, technical, and physical safeguards to protect the confidentiality of the data and to prevent unauthorized use or physical or electronic access to it, and to report violations of this Agreement. Appropriate administrative, technical, and physical safeguards include, but are not limited to: employee IT security awareness, background checks, unique login and passwords, automatic log-off workstations, workstation security, etc.

4.1.1. Users must not save Sensitive Information on personal computers that are not approved for storage of such information.

Users shall put in place reasonable safeguards and security procedures for its environment, including, but not limited to, using password protected spreadsheets, using password-protected computers, prohibiting password sharing among users, prohibiting unauthorized data downloads and distribution of data; requesting that users do not leave computer unattended and/or set a timeout to lock an unattended computer, installing antivirus software with current updates and a supported operating system with current patches and updates.
The Hayward Promise Neighborhoods and the Hayward Promise Neighborhoods Partner shall provide periodic training for staff on internal security policies and procedures, and on applicable state and federal legal requirements for protecting the privacy of individuals.

5. **Compliance**

5.1. Compliance to this Agreement includes, but is not limited to

5.1.1. **Integrity Audits.** To ensure compliance of this Agreement and the protection of Sensitive Data, the Hayward Promise Neighborhoods Data Evaluation and Alignment Lead shall have the right to make, via designated staff, unannounced visits to the Hayward Promise Neighborhoods and the Hayward Promise Neighborhoods Partner for purposes of inspecting computer equipment and reviewing the security arrangements that the Program Administrator is maintaining with respect to Sensitive Information. The Hayward Promise Neighborhoods and the Hayward Promise Neighborhoods Partner Program Administrators will fully and promptly cooperate with the Hayward Promise Neighborhoods Data Evaluation and Alignment Lead and will assist them in completing those inspections. The Data Evaluation and Alignment Lead must coordinate access with the Data Steward. Neither this provision nor any other provision of any agreement permits or provides a right to access or disclose information protected or otherwise prohibited from access or disclosure under applicable law or regulation.

5.2. The Hayward Promise Neighborhoods or the Hayward Promise Neighborhoods Partner may temporarily suspend, block, or restrict access to Sensitive Information when it reasonably appears necessary to do so to protect the integrity, security, or functionality of Sensitive Data or to protect the organization from liability.

5.3. **Statutory Breaches.** If at any time a Hayward Promise Neighborhoods or Hayward Promise Neighborhoods Partner staff member determines that there has been a breach of the security protocols or violation of this Agreement (including, but not limited to any unauthorized release, access use, or modifications of covered data), the staff shall promptly take such reasonable steps as are necessary to prevent any future similar breaches and promptly notify the Data Steward and/or the Program/Contract Administrator and/or the Hayward Promise Neighborhoods Data Evaluation and Alignment Lead of the breach. The Hayward Promise Neighborhoods Data Evaluation and Alignment Lead and Program Administrator will identify the steps taken to prevent any future similar breaches and report to the Hayward Promise Neighborhoods Data Steward within 24 hours of their discovery.

5.4. **Reported Violations.** The Hayward Promise Neighborhoods Data Evaluation and Alignment Lead and Data Steward will issue a report identifying any privacy and security breach on covered data by a staff member of the Hayward Promise Neighborhoods or the Hayward Promise Neighborhoods Partner. The Hayward Promise Neighborhoods or the Hayward Promise Neighborhoods Partner will have three (3) business days to comply and put in place corrective measures to prevent any future similar breaches. Failure to comply within this time frame will
result in temporary or permanent termination of access to covered data and possibly termination of this Agreement.

Disposition of Data at Termination of Agreement. In the event of the termination of the Master Data-Sharing Agreement or otherwise specified in the Master Data Sharing Agreement, the Hayward Promise Neighborhoods and the Hayward Promise Neighborhoods Partner shall (1) delete all Primary Data Sets containing individually identifying information obtained under this Agreement; and (2) certify in writing within five (5) business days that all copies of the data stored on local servers, backup servers, backup media, or other media have been permanently erased or destroyed.
Attachment D: Consent Agreement for Data Disclosure and Sharing

By signing this agreement, you give your consent to disclose and share personally identifiable information of the persons listed on page 2 of this form, with authorized partners in Hayward Promise Neighborhoods (HPNs).

The programs and services of HPNs are designed to guide your children and families from cradle-to-college-to-career and to provide strong systems of family and community support.

The purpose of sharing your personally identifiable information among the authorized partners of HPNs is to ensure that services are well coordinated and aligned, and to conduct ongoing evaluation of the impact and improvement of our programs.

The personally identifiable information to be disclosed and shared with the partners of HPNs listed below may include, but is not limited to:

- Name, address, and date of birth, English learner status
- Program participation data (such as services received, attendance dates)
- Program results and assessments (such as tests results)
- School grades, performance reports, transcripts, classroom performance and attendance

HPNs will make every effort to protect your personal information from unauthorized use or disclosure. Personal information will not be published in a manner that will lead to the identification of any individual (e.g., reports to funders, U.S. Department of Education, etc.). Your information will only be used for service provision and program evaluation purposes and no identifiable information will be disclosed to third parties not covered by this consent agreement without your prior written consent.
