

# Culinary Arts

This course meets UC/CSU requirements for College Prep Elective (g) credit. This class is designed to give students both theory and hands-on experience in the skills and knowledge in the field of culinary arts; including an introduction to the world of foods. Students will learn the importance of health & safety, food preparation, proper use and care of equipment as well as job preparation. Emphasis will be placed on the importance of effective communication and interpersonal skills, professional development, problem solving, safety, and the use of technology.
