

# Web, Graphics, Digital Design

This course meets UC/CSU requirements for College Prep Elective (f) credit. Advanced College Credits: this course participates in an articulation with Chabot College. Explore sound, graphics, animation, and video as they emerge in CD Rom and web-based technologies. Students will build a multimedia portfolio while leaning design tools and techniques in Dreamweaver, Flash, Director, Photoshop, and Premiere. Web, Graphics and digital Design are one of the fastest growing industries. This course utilizes computers to introduce students to the dynamic field of 3-D graphics design. Students learn to use computers to produce illustrations and manipulate images to achieve a desired look and purpose.
