

PARENT NOTICE OF RIGHTS AND RESPONSIBILITIES

State law requires that parents or guardians be notified of their rights and responsibilities in certain matters pertaining to their children's education. As Eden Area ROP leases its property from Hayward Unified School District, the ROP is also a partner with San Leandro, San Lorenzo and Castro Valley School Districts. The rights and responsibilities listed below are a partial list of the student's home school list that pertains to the 2019-2020 school year at the Eden Area ROP Center.

1. **Absence for Religious Exercises and Instruction:** Pupils may be excused, with written permission from a parent or guardian, in order to participate in religious exercises or receive moral and religious instruction away from school property. Every pupil so excused must attend at least the minimum school day. No pupil shall be excused from school for such purpose on more than four days per school month. (Ed. Code, § 46014)
2. **Administration of Medication:** Medication prescribed by a physician for a child may be administered during the school day by a registered nurse or other designated school personnel, or self-administered by the child if the medication is prescription auto-injectable epinephrine or prescription inhaled asthma medication, but only if the parent consents in writing and provides detailed written instructions from a physician, or a physician assistant as specified by law. Forms for administering medication may be obtained from the school secretary. (Ed. Code, §§ 49423, 49423.1, 49423.5, 49480)
3. **Students on Medication:** Parents are to notify the principal if their child is on a continuing medication regimen. This notification shall include the name of the medication being taken, the dosage, and the name of the supervising physician. With parental consent, the principal or school nurse may confer with the physician regarding possible effects of the drug, including symptoms of adverse side effects, omission or overdose and counsel with school personnel as deemed appropriate. (Ed. Code, § 49480)
4. **Confidential Medical Services:** For students in grades 7 through 12, the District may release a student for the purpose of obtaining confidential medical services without obtaining the consent of the student's parent or guardian. (Ed. Code, § 46010.1)
5. **Medical Coverage for Injuries:** Medical and hospital services for pupils injured at school or school-sponsored events, or while being transported, may be insured at parent's expense. No pupil shall be compelled to accept such services without his or her consent or, if the pupil is a minor, without the consent of a parent or guardian. (Ed. Code, § 49472) *[NOTE: If the District provides and pays for the insurance, this should be noted.]*
6. **No Academic Penalty for Excused Absence:** No pupil may have his or her grade reduced or lose academic credit for any absence or absences which are excused for the reasons specified below when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. (Ed. Code, §§ 48205, 48980(j))

A pupil shall be excused from school when the absence is:

- (a) Due to the pupil's illness.
- (b) Due to quarantine under the direction of a county or city health officer.
- (c) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
- (d) For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
- (e) For the purpose of jury duty in the manner provided for by law.
- (f) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a doctor's note.
- (g) For justifiable personal reasons, including but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
- (h) For the purpose of serving as a member of a precinct board for an election pursuant to section 12302 of the Elections Code.
- (i) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- (j) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
- (k) Authorized at the discretion of a school administrator based on the facts of the pupil's circumstances, which are deemed to constitute a valid excuse, including, but not limited to, working for a period of not more than five consecutive days in the entertainment or allied industries or participate with a not-for-profit performing arts organization in a performance for a public school pupil audience for a maximum of up to five days per school year provided the pupil's parent or guardian provides a written note to the school authorities explaining the reason for the pupil's absence. (Ed. Code, §§ 48260, 48205, 48225.5)

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.

Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

“Immediate family,” as used in this section refers to mother, father, grandmother, grandfather, or a grandchild of the pupil or of the spouse of the pupil, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister of the pupil, or any relative living in the immediate household of the pupil. (Ed. Code, §§ 45194, 48205)

7. **Sexual Harassment Policy:** Each student will receive a written copy of the district policy on sexual harassment. The purpose of this policy is to provide notification of the prohibition against sexual harassment as a form of sexual discrimination and to provide notification of available remedies. A copy of the District’s policy on sexual harassment is attached. (Ed. Code, §§ 231.5, 48980(g))

a fee or purchase of additional supplies that the school district or school does not provide.

(iv) A school district or school shall not offer course credit or privileges related to educational activities in exchange for money or donations of goods or services from a pupil or a pupil's parents or guardians, and a school district or school shall not remove course credit or privileges related to educational activities, or otherwise discriminate against a pupil, because the pupil or the pupil's parents or guardians did not or will not provide money or donations of goods or services to the school district or school.
